An exceptional offer to you from Sabre Yachts and your Sabre dealer

If you have been putting off your decision to buy a new Sabre Hard Top Express motoryacht, now may be your time to act. As we turn the page and start anew for 2010, Sabre Yachts and your Sabre dealerships want to make a clean sweep of current boat inventories.

In order to assist our dealers in this endeavor, we offer a series of services and extraordinary opportunities to the purchasers of this limited inventory of new yachts.

The following applies to in-stock Sabre 34 Express, Sabre 38 Express, Sabre 42 Express and Sabre 52 Salon Express:

- A-** Each Purchaser will receive an engine manufacturers, warranty extension. Depending on the engine manufacturer coverage will increase to as long as five to six years¹, providing peace of mind to their owners.
- B-** Each Purchaser will receive funds to pay for dockage for the 2010 season at a rate of \$100 per foot.
- C-** Each Purchaser will receive a fuel card which will more than cover the typical cost of fuel for the 2010 boating season. We hope you will thank us when it's time to fuel up your vessel.

In addition to A, B and C services, each Purchaser can choose between one of the following:

- D-** A cash contribution towards the purchase of your navigational electronics

— or —

- E-** An exciting one week Moorings power boat charter in Tortola, BVI². Given the winter we have all been experiencing, we are sure that you will find this very appealing. If you have not experienced chartering with the world's number one charter company, you are sure to enjoy the warmth of the Caribbean sun and sea, doing what you love to do most: Boating.

1- Length of warranty depends on engine manufacturers individual policy. Caterpillar extends to 60 months/2500 hours, Yanmar to 60 months/unlimited hours, Volvo 60 months/ unlimited hours and Cummins, 72 months/3000 hours. Extension does not cover marine gears or pods.

2- Moorings charters do not include airfares or extras offered by the charter company. The Sabre 34 and 38 include a 372 PC Moorings Power Cat and the 42 and 52 include a 474PC Moorings Power Cat. Charter certificates are valid for 12 months from the date of issue.
